## ROOF WORKERS KIT 6

The ROOFERS KIT SK 3 has been assembled to make roof work as easy and safe a task as possible. A simple to don compliance level harness is combined with an AS/NZS 1891.3 compliant 15m rope & easy to use adjuster with a built-in shock absorber (AS/NZS 1891.1 certified) and designed to be attached to the front chest attachment loops. The triple action carabiner simply clips through both loops attached to the left and right shoulder straps. Also provided is a 1.0m anchor sling that can be wrapped around a suitable structural anchorage point on the roof. All components fit comfortably into a zip lock water resistant backpack carry bag. - for easy and safe roof work - consisting of safety harness, fall arrester, webbing sling - packed in waterproof rucksack
